

## **The Vampire Abduction Anthology Plot Outline**

"It is Mankind who is the cruelest monster of them all." Carlos Dunn

### **Sketch of the Major Characters:**

**Chuck Cave** - A "Gulf War Veteran" and ex Navy Seal - One Bad Ass Dude but getting on up in years - Moved from Wisconsin to Texas a few years ago and works as a concrete Consultant. But lately spends most of his time either helping his friends (both Vamp and Mortal) down in Mexico or searching for his beloved Vamp Morven.

**Morven** - A Beautiful Vampire Girl that recruited Chuck Cave to help her rescue her sister (Rhianne) from a Vampire Hunter. Morven disappears after Chapter 1. We know very little about Morven and are unclear of her feelings for Chuck Cave throughout most of the series. Lots of unanswered questions.

**Rhianne** - Morven's Vamp sister (Different mothers but the same maker.)

**Senior Paponi** - A kind hearted old man (mortal) who was a businessman and womanizer in his younger years. Now he runs a Cantina (Table Dance) and takes care of his girls.

**Pedro** - A mortal who fiercely loves Vanessa (His Vamp Girlfriend) and will do anything to protect her. He's pretty handy with a hunting rifle too.

**Vanessa** - A lovely light skinned Latin vampire Girl with Jet Black hair and blue eyes. She is hopelessly in love with Pedro. Her biggest fear is that she will stay young as he grows old and one day she will lose him unless he changes his mind and allows her to turn him.

**Jessica** - The lovely Vampire Girl that Pedro rescues in Chapter 6. Jessica is a bit shy and has yet to find the man of her dreams.

**Claudette** - A pretty mortal girl who helps take care of her Vampire friends while they sleep during the day. She is also Senior Paponi's best and most popular table dancer.

**Jade** - A pretty Lesbian Vampire Biker Girl. Jade has been a Vampire for a long-long time. She is unaware that she has 2 sisters (Rhianne and Morven).

**Star** - Also a pretty Lesbian Vampire Biker Girl. Star is Jade's fledgling. She has only been a Vampire for a few months.

**Pete** - A kind hearted biker dude but one bad ass when he has to be. Pete is getting on up in years. In some ways he and Senior Paponi are very much alike. They both take care of their own.

**Chapter 1: Cave and the Vamp (C.C. Blake)**  
**WRITTEN**

While having dinner, an Iraqi war veteran (Chuck Cave) encounters a beautiful girl named Morven who tells him: "My sister is going to be murdered - will you help me save her." Through Morven's Visions and Chuck Cave's Navy Seal training they locate Morven's sister Rhianne who had been abducted by a viscous Vampire Hunter Named Malcolm who dresses in the hooded attire of a Priest and gets off torturing his victims using medieval torture devices before driving a stake through their heart. Morven and Chuck Cave locate the abandoned warehouse and find Rhianne just before Malcolm is about to pound a stake through her heart. In the fight that ensues, Morven is shot with a tranquilizer dart as Malcolm and Chuck Cave fight to the death. In the end, Malcolm is killed and Chuck Cave is badly burned. Later Morven comes to Chuck Cave and thanks him for rescuing her sister by giving him a night of unforgettable sex and a few drops of her blood to heal his burns. When Chuck Cave wakes up the next morning he is alone but his burns are almost healed and hair is growing on his scalp where the doctors said no hair would ever grow again. He also finds a thank you note and envelope with \$100,000 inside.

**Chapter 2: When Pedro Met Vanessa (Carlos Dunn)**  
**WRITTEN**

Pedro's wife has just left him and his only desire is to get shit faced on Tequila. Vanessa quickly realizes this is no ordinary client. For one thing it does not bother him that she is a Vamp. They both quickly realize that something very special is happening between them. It is the story of two lonely hearts from two totally different worlds finding each other discovering that love can bloom anywhere.

**Chapter 3: Abducted (Carlos Dunn)**  
**WRITTEN**

After Morven and Chuck Cave rescue Rhianne. She takes off for a vacation to Cancun with her boyfriend. While there she receives a cry for help from a Vamp she does not know. When she arrives the next night at the apartment of the Vamp (Vanessa) she finds Pedro drunk and suicidal and no wonder his beloved Vanessa has been abducted by a Brutal Mexican Drug Cartel called the "Los Lobo's" The ransom is 10 million pesos but Pedro and Vanessa quickly realize that even if they pay the ransom - Vanessa will not be freed. The Los Lobo's real intent is to take her blood and mix it with cocaine to make a potent street drug called Cielo. The chapter ends with Rhianne calling Chuck Cave (The Iraqi war vet in Chapter 1) and asking for his help in rescuing Vanessa.

**Chapter 4: Revamped 1 (Reade Bennett and Lori Miller)  
WRITTEN**

A lesbian Harley biker girl named Star discovers that all biker girls are not the same when she meets Jade. It too is a high energy love story and Star will never be the same again. This is an introductory story of 2 new Characters Jade and Star and the lesbian Vampire biker girl lifestyle into the Vampire Abduction Series.

**Chapter 5: The Los Lobo's (C. C. Blake)  
WRITTEN**

Chuck Cave, Rhianne, Pedro and a small army of pissed off Vampire Girls storm the Los Lobo's compound in Colima, Mexico and free Vanessa and about 30 captive Vampire Girls and destroy the Los Lobo's Drug operation and most of their army. Juan Alonzo Hernandez the leader of the Los Lobos escapes.

**Chapter 6: Senior Paponi's Cantina (Carlos Dunn)  
WRITTEN**

Six months later Senior Paponi has rebuilt his Cantina for the second time and Pedro and Vanessa and Rhianne live with him. Pedro rescues a beautiful girl named Jessica from a vampire hunter dressed like a priest just before she is about to be executed by being chained to a rock to await sunrise. Pedro kills the Vampire Hunter and takes the girl to Senior Paponi's cantina where she recovers and tells them a tale of abducted vampire girls using tranquilizer darts who are tortured into confessing they conspired with Satan to become Vampires afterward they are forced to sign a confession. Then they are executed by being chained to a rock in the desert to await sunrise. Rhianne suspects they are somehow connected with Malcolm the Viscous Vampire Hunter who abducted her in Chapter 1. They also discovers that the Vampire Hunters really are Priests dispatched by the Vatican to rid the world of Vampirism one babe at a time. The chapter ends with the Vampire Hunter Priests attacking Senior Paponi's Cantina and abducting Rhianne and all of Senior Paponi's dancers. Vanessa, Jennifer, Pedro and Senior Paponi escape and vow to kill all the Vampire Hunter Priest.

**Chapter 7: The Vatican Cover Up.  
(New Chapter - Writer to Be Determined)**

The attack on Senior Paponi's Cantina will make major news (CNN) and the Vatican will have to cover it up since this operation is "TOP SECRET." (Perhaps the Pope and other major leaders in the Vatican do not even know about the operation.) This Chapter will be about the cover up and we will learn a little bit about the Vampire Hunting Priests operation.

**Chapters 8: The New Inquisition Part 1.  
(New Chapter - Writer to Be Determined)**

In this Chapter we will learn that a secret branch (Splintered) of the Vatican has been carrying on the Inquisition of the 1600s, in fact the inquisition never ended, it just went underground. Over the last 400 plus years, hundreds of innocent mortal women have been abducted, tortured, made to confess then executed as witches (most of them burned at the stake). The writer will reveal to us how this new inquisition to stamp out Vampirism came about, who it's leaders are and how it ties in with (or splintered from) the Vatican and the old Inquisition of the 1600s. And where else in the world they are killing innocent women in the name of Witchcraft and Vampirism.

**Chapters 9: The New Inquisition Part 2.  
(New Chapter - Writer to Be Determined)**

We will learn even more about this New Inquisition. Since the Vatican is very structured and hierarchical from the Pope all the way down to the lowest Priests and Nuns, it seems logical that these Vampire Hunting Priests would also have that same order and hierarchical structure. Even though the Pope and major leaders of the Vatican are probably unaware of the operation, the Vampire Hunting Priests probably have a Bishop or other high ranking official in charge of the operation (The Leader) who may be in Rome, Mexico City or in Camala, Mexico. Or perhaps these Vampire Hunting Priests were only mercenaries hired by the Vatican. Either way, we need a very creative writer to explore these possibilities and write a new Chapter to develop this and connect this New Inquisition which includes Innocent women accused of being witches as well as innocent Vamp girls accused of conspiring with Satan to become Vampires.

There are lots of questions and possibilities. Does the Bishop in charge of this operation have plans to expand the operation to other countries? Is it already going on in other countries?

**Chapter 10: ReVamped 2 The Chase (Reade Bennett and Llore Miller)  
WRITTEN**

When the Vampire Hunting Priests attack senior Paponi's Cantina, they shoot Rhianne and all of Senior Paponi's dancers with tranquilizer darts then carry them away in Dark SUVs. Rhianne jerks the dart out of her neck and as she is sinking down into unconsciousness, she sends out a mental cry to any vampire who is near to please help her. Vanessa and Jennifer hear her cry but arrive too late. 2000 miles away, in the United States, Jade too hears Rhianne's cry for help. Jade has no idea that the reason she heard the cry was because Rhianne is her half sister (Different Mothers but the same maker) She and her fledgling Star head out for Mexico on their Harley's to attempt a rescue because "Vamps take care of their own." On the way they pick up an army of Biker dudes to help in the attack.

**Chapter 11: Chuck Cave is Killed (C. C. Blake)**  
**WRITTEN**

Ever since Chuck Cave met Morven (Chapter 1) and she gave him a night of unforgettable sex plus a few drops of her blood to heal his wounds, he has been desperate to find her. When Rhianne leaves a message on his answering machine, just before she is abducted (for the second time) Chuck is already in Camala, Mexico about to infiltrate the dungeons beneath "San Miguel del ArcAngel" believing his beloved Morven is being held there by cruel Vampire Hunters dressed like Priests. During his "Commando" style assault on the compound he kills many of the Vampire Hunter Priests. At the end, he is dragged into an Abyss by a mysterious creature. This chapter ends here with us believing Chuck Cave has been killed.

**Chapter 12: Preparation (by Jude Mason)**  
**WRITTEN**

After the attack on Senior Paponi's Cantina a mysterious Vampire Queen appears and offers her assistance to stamp out the Vampire Hunting Priests once and for all. Chuck Cave sends his friend John Holthrop who is somewhat of an arms dealer to help in the attack. The chapter ends with everyone in Holthrop's Van headed to infiltrate the dungeons of "San Miguel del ArcAngel."

She is forced to watch a captive Vampire Girl Tortured into signing a confession that she conspired with Satan to become a Vampire. In the end the girl is dragged back to her cell. A few hours before sunset she is dragged from her cell and taken to the place of execution in the desert. There she is chained to a rock to await death at Sunrise. Once separated, a joke of a trial takes place in which Claudette (Senior Paponi's favorite dancer) is brought in front of the Vampire Hunters court and found guilty of witchcraft. She is sentenced to be tortured into confession then death at the stake. She weeps but swears Senior Paponi will make them pay for doing this as she is lead back to her cell and chained to the wall. Pete is passed out drunk and has a dream that is more like a hallucination. He sees Jade and Star and lots of other half naked girls chained to dungeon walls, their clothes torn and hanging in shreds. It's sort of erotic and he gets a boner. Then he hears: "Help us, Pete." Jade and Star their voices as one. "We are in the dungeons underneath the Cathedral San Miguel del ArcAngel, Camala, Mexico, please help us." The dream startles Pete awake and he is ashamed of his lude thought. Within an hour he and an army of pissed off Biker dudes are on their way to Camala to free Jade and Star and kick some ass. Because Bikers are like Vamps "They take care of their own." And nobody hurts Jade and Star Nobody!

**Chapter 20: Doom of The Vampire Hunter Priests Part 1.  
(New Chapter - Writer To Be Determined )**

Okay gets a little fuzzy here. Three different teams are infiltrating the Vampire Hunting Priests secret hideout in the dungeons underneath the cathedral "San Miguel del ArcAngel" in Camala, Mexico. Chuck Cave's commando assault, Senior Paponi and friend's attack and Jade and Star's Biker dude friends ready to kick some Vampire Hunting Priests asses.

**Chapter 21: Doom of The Vampire Hunter Priests Part 2.**  
**(New Chapter - Writer To Be Determined )**

So this and the previous chapter might expand into several new chapters that might or might not stop the Vampire Hunting Priests and sum up some ends from previous Chapters.

Thoughts We will probably need new chapters dealing with:

1. The Headquarters of the Vampire Hunting Priests and how they deal with and cover up the attacks on San Miguel del ArcAngel.
3. Rhianne finds love
4. Jennifer Finds Love
4. Senior Paponi finds Love
5. Pedro and Vanessa (Does Pedro become a Vamp?)

**Chapter 22: Return of The Los Lobos.**  
**(New Chapter - Writer: To Be Determined)**

A few months have passed since the attack on the Vampire Hunting Priests. Senior Paponi has opened another cantina (His 3rd and he swears his last.) Pedro, Vanessa, Rhianne and Jennifer are his new business partners and business is good. One evening a black hummer pulls up to the entrance of the cantina and six pickup trucks with roll bars pull up beside the truck. Inside the Hummer is Juan Alonzo Hernandez. Leader of the newly organized "Los Lobos Drug Cartel. He offers a truce in exchange for a liter of Vampire Blood per week so he can restart his illegal drug business. He even offers Senior Paponi a 25 % cut of the profits. But Senior Paponi knows he cannot deal with rattlesnakes like Juan Alonzo Hernandez. Writer is free to brainstorm what happens next.

**Chapter 23: Return of Chuck Cave.**  
**(Writer C.C. Blake.)**

We finally discover if Chuck Cave is really dead or not. And the readers will finally discover where Morven has been all this time. Perhaps Chuck and Morven will reunite.

**Chapter 24: The End of the Los Lobos.**  
**(Writer To Be Determined)**

The chapter details the final show down between lifelong enemies Juan Alonzo Hernandez and Senior Paponi. Again non stop action from start to finish and we must believe it is Senior Paponi who will not survive. We will need several twists and turns for this one.

**Chapter 25: The Happy Ending with all Loose Ends Tied Up.  
(Writer To Be Determined )**

Rhianne and Jennifer find love and perhaps the series ends with a wedding ceremony involving five couples:

Chuck Cave and Morven

Pedro and Vanessa

Rhianne and her man (TBD)

Jennifer and her man (TBD)

Senior Paponi and the mystery girl (TBD)
